“ I'm so sad to hear that Gil passed. I worked with him for years and he always had a ready smile, a great personality and the man could flat out dance! God bless him...

“ I remember seeing Gilbert at the Hardy Family and Friends gatherings. I did not get a chance to know him personally, but I know of it. I would hear people speak of him: (A) Of how he had a thorough knowledge of his family history, (B) Of how he was there to help family members in their time of need, (c) His love of music. (D) He had a gift of dancing. I would have loved to had a chance to have known these things on my own. From what I hear, he was a great guy. Rest In Peace Gilbert

“ My fondest memories of my cousin Gilbert is of him riding his motorcycle. He loved music, soul food and to dance and have fun. We loved hanging out with Gilbert. When I was young and needed a loan I could go to the “bank of Gilbert.” I think he got that from Big Momma. When I got married my husband Charles and Gilbert became fast friends. I don’t know anybody that did not like Gilbert. I will miss his laugh and his smile

“ My deepest heartfelt sympathy to the family. Gilbert was more like a brother than a friend to me. He left me with a lot of joyous memories. May he rest in paradise.
