“ *I will always remember Irene at all the cookouts we had and the fun she seemed to have just being in the presence of family. Her smile and laughter would make everybody feel good. May she forever rest in the peace. To the family be strong and know that one day you will see her again. She is not gone, she is just resting in the Lord.*

“ Dear Irene, I want to take this time out to say thank you for all that you've done for me while growing up. I have many fond memories of you but I will share this one.... When I was 12 years old, I stayed the summer with you and Glen and one night I went into the bathroom to take a shower but instead i played with a transformer car that you had purchased for me. So I splashed a little water over my body and wrapped the towel around me and opened the door but to my surprise you were standing right there with your arms folded and you said Boyyyy get back in there and take your shower... I still do not know to this day how you knew but you did. God mother I will forever miss you and I love You 🥹💕💕
