“I remember the Sutton Family from Duncan Projects in Jersey City NJ. I was an extreme Blessing running into Veronica and Willie in Somerset NJ. Indeed God has an uncanny way of bringing lives full circle. I express my Deepest Sympathy to the Family and ask that you remember - to be absent from the body is to be present with the Lord. There is no question as to whether Willie is resting in Christ - His prayer life is a testament to that. I pray that the Lord will strengthen each and every one of you during this difficult time.

“ Dear Veronica, David and the Sutton family, may memories you made over the years sustain you during this time of bereavement. When you think of Willie may these memories bring a smile and warmth to your heart. Remember to be absent from the body is to be present with the Lord. Patricia Cheek-Williams.

“ So saddened by the passing of Willie. I offer my condolences to the Sutton family. May God strengthen you during your time of bereavement. I used to lovingly call him "chilly Willie". Even in the midst of the storm, be blessed.
